

## TRREB'S PAST PRESIDENT'S SCHOLARSHIP IS OPEN FOR APPLICATIONS

**TORONTO, ONTARIO, March 17, 2023** – Toronto Regional Real Estate Board (TRREB) Members are committed to investing in the next generation of decision-makers and innovators. On behalf of our Members, TRREB grants scholarships to high school students with an interest in real estate who are pursuing post-secondary education through the annual [Past President's Scholarship](#) initiative.

“Continuing our tradition of supporting future leaders in real estate and youth within our communities, we are excited for our 2023 scholarship program. We invite students pursuing a post-secondary education to apply, and we look forward to seeing how this scholarship supports their goals and aspirations,” said TRREB President Paul Baron.

Since the program's inception in 2007, fifty-eight deserving students have received a total of \$222,000 in scholarship money awarded.

Eligible applicants may apply for one of eight awards: two \$5,000 first-place, two \$2,500 second-place, two \$2,000 third-place, and two \$1,500 fourth-place.

[TRREB is accepting scholarship applications](#). To qualify, students must demonstrate academic achievement, leadership skills and community involvement. They must also write a 1,500- to 1,800-word essay on one of two timely real estate-related topics: the Ontario government's proposal to allow development in the Greenbelt or whether owning or renting is the best option for various segments of the GTA population.
